Customer Reviews

This book was purchased for one of my daughter's college classes. Since it was a required text there wasn't much choice in purchasing! She found it easy to understand and pertinent to class content.

Great reference to look at

The book is like new and arrived on time. It has made it possible for me to complete several assignments. Thanks

This book arrived in a timely manner and in great condition. It looked like it had never been touched before, I was pleased.
