Customer Reviews

It gives a good overview of the basics and it is pretty detailed for an intro book. Really interesting for anyone interested in rehab, it covers a lot of what is involved in being a rehab counselor and it is not boring to read which is pretty important when you have to read so much already!

Much cheaper then my school bookstore. Great price

I have only received the Reh Coun book

easy to read and understand!

The Rehab Counseling book is in excellant shape! I believe it was new - so there was no writing in it. Thanks!
