Atlas De Técnicas Osteopáticas (Spanish Edition)

Synopsis

Atlas exhaustivo a todo color que nace de la necesidad de disponer de un registro visual de las diferentes posturas del osteópata y el paciente durante el tratamiento osteopático, y de los vectores de fuerza que intervienen. Se incluyen más de 1.300 fotografías a todo color, que constituyen una fuente de información completa e ilustran paso a paso la puesta en práctica de 368 técnicas manipulativas osteopáticas. El texto está organizado en dos secciones; el orden de la primera es similar a la que se sigue para presentar la materia a los estudiantes de osteopatía y está de acuerdo con el método más adecuado y seguro para realizar la exploración musculoesquelética osteopática. La segunda parte está dividida por tipos de técnicas, de modo que el lector debe escoger primero un tipo de técnica y después la región anatómica que le interese.

Book Information

Hardcover: 522 pages

Publisher: LWW; 1 edition (January 8, 2009)
